Re: Apparatus Replacement Campaign Kick-off

Dear Supervisors,

Southeastern Adams Volunteer Emergency Services-SAVES- will be launching our Capital Campaign for apparatus replacement on Thursday evening September 21, 2023. This public event will feature a free ice cream social and showcase the strong financial and community support SAVES anticipates receiving for the apparatus replacements. The goal of the Kick-off, The Partnership for a Safer Community, is to generate and build momentum toward securing as many donors as possible. SAVES will be announcing several strong pace-setting contributions. We would very much like to announce a strong financial commitment from Conewago Township at this event.

SAVES is requesting Conewago Township place on the September 18th meeting agenda a consideration for making and announcing a contribution at the Campaign Kick-off on September 21st. The partial allocation of America Rescue Plan—ARP funds have been mentioned by the Township as a possible financial source for our project. Although these funds are available and would be acceptable, SAVES would defer to the Board the level of funding and the source thereof. As SAVES lead municipality, Conewago Township, it is our organizational desire to have the Township make a strong commitment to this campaign. A significant pledge by Conewago Township will display to our residential and business partners a heightened level of community support and will aid in bolstering additional donors for this very important project.

SAVES will have staff available at the meeting on September 18th to answer any questions the public or the Board of Supervisors may have. The Partnership for a Safer Community seeks to bring together all aspects of the community and potential contributors as we plan for the long-term well-being and safety of our residents together with Conewago Township. We hope the Supervisors of Conewago Township enthusiastically join with SAVES and the Community to achieve this result through a successful funding effort. We look forward to your continued support of public safety in Conewago Township.

Sincerely,

Derek Romanoff, President
Southeastern Adams Volunteer Emergency Services
